ALISON'S STATEMENT

This year has presented challenges for all of us but it has also created many new exciting opportunities for The Country Victualler. We have a new food development chef on board who has created some delicious products for you all to enjoy. New vegetarian, new pies, new Christmas ranges that include a sumptuous stilton and sausage pastry wreath to share, new buffet and canapé platters, and we continue to explore new wines with Weavers, our local wine company.

We are thrilled to offer you all some mouth-watering, handmade artisan chocolates, perfect for gifts or simply for you to devour. I know that we all welcome the thought of family and friends gathering this Christmas time and I want to say a heartfelt thanks for your continued support and wonderful customer service reviews! With that in mind, I wish you all a very bright, bubbly, and hearty Christmas.

DELIVERY

Your order will be delivered by DPD or Royal Mail any time between 9 am and 8 pm on the day you have specified. Unfortunately, delivery is not guaranteed for any particular time during the day. It is therefore essential that when ordering you provide instructions for the courier company should you happen to be out when your goods are delivered. This could be an alternative house number, or in a safe place on your property such as in your garage or porch. When ordering you could specify an alternative delivery address such as your workplace, holiday home or to a friend or neighbour if that proves to be more convenient. Please let us know as soon as possible if your order has not arrived within the time frame.

All our products are sent to you fresh and securely packed by next working day delivery, except those parcels going to more remote destinations which may take a little longer. If in any doubt please speak to the customer services team on 01777 874 700. Please note, next-day delivery to remote addresses on the UK mainland and UK Islands may not be possible. If next-day delivery is vital, please order before 11 am and phone us to check. As we only sell food items, there is no return facility, if you have any issues with your order, please contact us on 01777 874 700 where we can resolve your issue or issue a refund.

PAYMENT

All prices quoted are correct at the time of publication but these maybe subject to change due to external factors outside of our control. However we will honour the product price at the point of purchase, we would therefore kindly advise you to place your orders early.

SHELF LIFE

All our products are suitable for freezing – even the pork pies – Due to the uncertainty around deliveries and transport issues this year we are recommending that where possible customers order in advance of Christmas to reduce the strain and also guarantee delivery in ample time so you have the reassurance. Freeze on day of purchase and when defrosting the key is to defrost slowly a day or so before you wish to use the item, this way you will still have a great, fresh tasting product with some shelf life left.

Items suitable for freezing are clearly marked with the freezer icon.

GIFTS

We are happy to add a personal message to your parcel if sending it as a gift. Simply send us your wording and we will do the rest.
