### ***A CHRISTMAS MESSAGE...***

Another busy year here at Country Victualler HQ! Christmas seems to come around quicker every year! No sooner have we tidied up and recovered from last Christmas we seem to be gearing up for the next one. I thought you might be interested to know about some of the things that go off here behind the scenes. We work with some other excellent prestigious companies such as Fortnum & Mason, Forman & Field, Donald Russell and British Fine Foods to name but a few. This year we have been involved with products for the fabulous picnics served at Wimbledon, Goodwood and The Oval! As you know, we opened our little 'Pod Shop' this year and it really has been going from strength to strength. Our friendly Pod team have got to know our regular customers really well, and there is such a lovely vibe in there.

For our Christmas brochure this year we have concentrated on our best products, which also happen to be the classic ones you know and love, the ones we all can't do without at Christmas. As always our ethos is to provide the absolute best quality that is still value for money. We have expanded our range of pies, the ultimate British 'ready meal', so handy to have in the freezer for a winter warmer meal!

We continue to look to the future, embracing new ideas, listening to your feedback and... well, just trying to get it right for you all!

*I personally wish you and yours a wonderful Christmas  
and a New Year full of promise.*

*Alison Mellors*

*"Excellent product range. Excellent price. Excellent customer service. I had a problem with the delivery of my order. The courier was at fault and not The Country Victualler. ## DELIVERY

Your order will be delivered by DPD, APC or Royal Mail any time between 9 am and 8 pm on the day you have specified. Unfortunately, delivery is not guaranteed for any particular time during the day. It is therefore essential that when ordering you provide instructions for the courier company should you happen to be out when your goods are delivered. This could be an alternative house number, or in a safe place on your property such as in your garage or porch. When ordering you could specify an alternative delivery address such as your workplace, holiday home or to a friend or neighbour if that proves to be more convenient. Please let us know as soon as possible if your order has not arrived within the time frame.

All our products are sent to you fresh and securely packed by next working day delivery, except those parcels going to more remote destinations which may take a little longer. If in any doubt please speak to the customer services team on 01777 874700. Please note, next day delivery to remote addresses on the UK mainland and UK Islands may not be possible. If next-day delivery is vital, please order before 11 am and phone us to check. As we only sell food items, there is no return facility, if you have any issues with your order, please contact us on 01777 874700 where we can resolve your issue or issue a refund.

## SHELF LIFE

All our products are suitable for freezing – even the pork pies – We recommend that where possible customers place orders to be delivered well in advance of Christmas to reduce the strain and also guarantee delivery in ample time so you have the reassurance.

Freeze on day of purchase and when defrosting the key is to defrost slowly a day or so before you wish to use the item, this way you will still have a great, fresh tasting product with some shelf life left. Items suitable for freezing are clearly marked with the freezer icon.

## GIFTS

We are happy to add a personal message to your parcel if sending it as a gift. Simply send us your wording and we will do the rest.

## PAYMENT

All prices quoted are correct at the time of publication but these may be subject to change due to external factors outside of our control, however we will honour the product price at the point of purchase. We would therefore kindly advise you to place your order early.
